

## SCHÜTZ expands its service portfolio in Benelux by acquiring the Jager Group

This latest acquisition gives SCHÜTZ customers in the Benelux countries access to a significantly expanded range of industrial packaging services that optimally complement the existing product and service offering.

**S**CHÜTZ and Jager have signed a purchase agreement involving the acquisition by SCHÜTZ of all company shares in the two sub-companies Jager & Zn B.V. and Jager Cleaning B.V.. The group of companies with two locations in the north of the Netherlands specialises in reconditioning, recycling and selling industrial packaging. The group's portfolio includes services and products ranging from IBCs to PE and steel drums, jerrycans and wooden pallets. Thanks to its own fleet of trucks and trailers for the delivery and collection of packaging, the Jager Group offers a very fast and flexible service.

**The acquisition of the company sees SCHÜTZ continuing to pursue its strategy of optimising**

**transport routes to the customer and providing resource-saving reconditioning of industrial packaging in compliance with the highest environmental, safety and quality standards.** The Jager group is an ideal addition to SCHÜTZ Benelux's collection and reconditioning network, allowing customers to benefit from a comprehensive choice of industrial packaging with a closed-loop recycling system.
