## INTERPACK 2023

Visit SCHÜTZ at the world's biggest packaging trade fair

**interpack**

PROCESSING & PACKAGING

4<sup>th</sup> - 10 MAY 2023

DÜSSELDORF

HALL 10 | BOOTH D22 | E34

At last, it's time for the world's biggest packaging industry get-together again! You are warmly invited to experience packaging innovation and a unique trade fair atmosphere at first hand. Under our motto "Containing everything that matters", from 4 to 10 May we will be highlighting current supply chain requirements and tasks. At the SCHÜTZ booth D22 | E34 in Hall 10, we will be presenting our latest product and service solutions in the field of IBCs, plastic and steel drums and jerrycans.

# CONTAINING EVERYTHING THAT MATTERS

SUPPLY SECURITY MATTERS

CIRCULAR ECONOMY MATTERS

APPLICATION SUPPORT MATTERS

PROCESS DIGITALISATION MATTERS

CLOSING THE LOOP MATTERS

SUPERIOR QUALITY MATTERS

PRODUCT INNOVATION MATTERS

On over 650 m<sup>2</sup> and using large-scale, integrated, advanced LED technology we will be presenting more than 20 new products and services for packaging and logistics.

For our internationally operating customers, interpack is the world's largest and most important communication and information platform. The industry get-together also has a very special significance for us, and this is reflected in our elaborately designed, multi-storey exhibition booth. On over 650 m<sup>2</sup> and using large-scale, integrated, advanced LED technology we will be presenting more than 20 new products and services for packaging and logistics.

As a technology company and pioneer of the circular economy, for decades we have adhered to a fully comprehensive holistic packaging concept. This philosophy is expressed in our trade fair motto, "Containing everything that matters".

Our team will be presenting a wide range of new products and innovations that take our commitment to a sustainable circular economy even further and help to make the packaging supply chain more economic and eco-friendly. Visitors will also be able to explore the benefits of the full portfolio with many products on display, providing an overall view of our range and its versatile areas of application.

**The entire SCHÜTZ team looks forward to seeing you at interpack 2023!**
